Dear Tenant,

Pest spraying is scheduled for **TUESDAY, MAY 17^H** for Millard and Sevier County tenants. **Specific times will not be issued for each tenant.** We would appreciate your cooperation so that the process can move quickly and smoothly throughout the day.

A couple of things to keep in mind:

1. All pets need to be leashed or otherwise restrained while spraying is being done.
2. A UPTHA employee will be with the Pest Control Company to allow entrance into house if no one is home.
3. We will be spraying the exterior of the unit, as well as inside (along the walls).

If we are unable to enter the unit during the scheduled dates due to the tenant not allowing entrance into the unit or your pet is unleashed, pest spraying can be ordered at a cost of \$35.00 to the tenant.

All chemicals used are safe for both children and pets.

If you or anyone in your family are exhibiting any of the Covid-19 symptoms below, or are not feeling well, please call UPTHA immediately so we do not enter your unit:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If you have any questions, please call UPTHA at (435)-586-1122.
